DENPASAR - BALI ISLAND

Information About Sanur - Bali

The waves on Sanur Beach are very calm, perfect for swimming but not for surfing. Besides swimming, you can also explore other fun beach activities, such as scuba diving, snorkeling, and canoe ride.

Tourism in Sanur Beach is perfect for children's holidays. They can swim in the calm and deep ocean currents. Besides that, they can play soccer on white sand. For those of you who want to introduce underwater marine tourism to your children, you can try Seawalker in Sanur.

For those of you who like jogging, this beach provides a jogging track that spreads from north to south.

In the morning you can sit on the gazebo by the beach while waiting for the sunrise.
